# COOKIE POLICY NOTICE

This page outlines the methods of managing the website https://tukopro.com with specific reference to the use of cookies and the related processing of personal data of users who access and consult the site.

Cookies are small text files that websites visited by the user send to their terminal device (desktop, tablet, smartphone, notebook), where they are stored in order to be retransmitted to the same websites upon the user's next visit. Cookies are used to perform computer authentication, session monitoring, and storage of information regarding websites (without the use of so-called "technical" cookies, some operations would be very complex or impossible to perform).

While browsing a website, the user may also receive on their device cookies that are sent from different websites or web servers (so-called "third-party" cookies), which may host certain elements (such as images, maps, sounds, specific links to pages of other domains) present on the site that the user is visiting.

The website https://tukopro.com DOES NOT USE:

- **Technical cookies** (i.e., cookies that enable easy navigation of the website and facilitate the retrieval of information by simplifying the connection and data transmission between the user and the site),

- **Third-party cookies** (i.e., cookies managed by a website other than the one the user is currently visiting),

- **Analytics cookies** (i.e., tracking cookies used to collect anonymous statistical data on user behavior on a website, in order to analyze traffic and improve the user experience).
